“To kids who feel they have no hope from kids with hope to share!”

America Sings! will share its song and service in Pasadena, CA.

You're Invited to America Sings! Pasadena

Get ready to sing, serve, and shine! Your choir is invited to join **America Sings! Pasadena**, an unforgettable musical experience with **John Jacobson and friends on February 28, 2026**. We're thrilled you're considering this opportunity to be part of something truly meaningful in the vibrant heart of **Pasadena on the historic steps of City Hall**. Together with hundreds of young people from across the country, your students will discover that their voices matter — not just on stage, but in the world. Through music and service, they'll experience personal and artistic growth in a way that's exciting, empowering, and joyful.

What to Expect

At **America Sings!**, choirs from across the nation will perform in a spectacular massed-choir alongside fellow student musicians, participate in meaningful service projects supporting **Pasadena-**

based charities, and celebrate with pride at our grand **Massed-Choir Finale Celebration** featuring music that honors and uplifts America. This year, we're excited to present finales on Saturday, set against the historic backdrop of **Pasadena City Hall**.

Each registered participant will receive an exclusive performance t-shirt, a commemorative Singposium bag, and each choir will be presented with a participation plaque. Once your choir is registered, you'll gain access to all required music and choreography videos to prepare for the massed-finale performance.

America Sings! Rehearsal with John Jacobson

Saturday, 8:00 a.m. - 12:00 p.m.

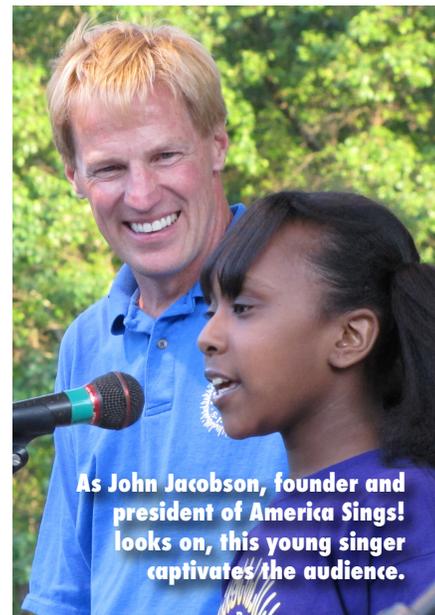

Saturday morning kicks off with choir rehearsals led by John Jacobson and friends, giving students the chance to fine-tune their performance alongside fellow participants. While choirs are rehearsing, industry leaders will work with speakers and soloists to prepare for the event's featured moments. Directors' check-in will be open from **7:00 a.m. to 8:00 a.m.**, during which time a special directors' meeting will be held with the America Sings! staff to review final details and answer any last-minute questions. Lunch will be included for each paid participant. Travel to Pasadena City Hall NOT included.

America Sings! "SOCAL"

Saturday, 1 p.m. - 5 p.m.

Beginning at **1:00 p.m.**, choirs will have the opportunity to present an individual choral performance on the steps of Pasadena City Hall. These performance slots are limited and will be scheduled on a first-come, first-served basis, so directors are strongly encouraged to register early. Later that day, at **5:00 p.m.**, all participating singers will reunite for their massed-choir finale performance, also held on the steps. *Please note that all times are subject to change based on weather conditions and total number of registrations.*

Enjoy a day in Pasadena while performing and participating in community service projects.

As John Jacobson, founder and president of America Sings! looks on, this young singer captivates the audience.
