

America Sings! Washington DC

April 23 & 24, 2027

**"To kids who feel they
have no hope from kids
with hope to share!"**

America Sings! will share its song and service in Washington, D.C.

Your choir is invited to be a part of *America Sings!* Washington D.C. We are so glad you are considering joining John Jacobson and friends April 23rd through April 24th for this unique musical experience located in our nation's capital. Your singers will love learning that they, along with hundreds of other young people who love music, have the power to make a difference – singing and serving! It's an artistic growing experience!

At *America Sings!*, choirs have the opportunity to perform in a massed-choir featuring students from around the country and to participate in community service projects for local charities. Each registered participant will receive a performance t-shirt, Singposium bag, and every choir will be

presented with a plaque to commemorate their participation! The spectacular Massed-Choir Finale Celebration will feature an entire concert of music celebrating America. This year we will feature two finales on Saturday at the Lincoln Memorial. When your choir registers, you will receive choreography video and the required music to be performed during the massed-finale.

In this brochure, you will find necessary information regarding *America Sings!* Washington D.C. The *America Sings!* registration form link can be found on page 3 of this brochure.
